✧ **Groundbreaking news** ✧

Announcing the formation of Angel Fund Foundation, Inc., a non-profit organization developed to meet financial needs of cancer patients in the Texarkana area who qualify, are undergoing treatments and have no other means of support.

In 1998, Beth Morgan was diagnosed with Multiple Myeloma, a form of bone cancer. After a stem cell transplant at M.D. Anderson, she returned to Texarkana and experienced the difficulties cancer patients face with treatments and mounting medical costs. In the spring of 2006, she and her family started Angel Fund Foundation.

Through donations, grants, fundraisers and volunteer help, cancer patients unable to pay medical expenses will receive financial assistance as funds become available. Angel Fund

Foundation is an extension of Angel Quilts, Angel Friends and Angel Shadows that provide comfort and encouragement to cancer patients. Angel Fund is qualified as a 501(C)3 charitable organization. To help this cause, please send in a donation. All donations are tax deductible (please make checks payable to Angel Fund Foundation). For more about Angel Fund or to contact us, please mail in the detached slip below or e-mail info@angelfundfoundation.org. Also, visit our new website at www.angelfundfoundation.org.
